

## Example of Potential Savings

The example below takes the same vehicle and coverages and shows why on after tax basis our exclusive program may well save you more money than any other way to insure your vehicle.

- ❖ Rating is based on 2004 Jeep Grand Cherokee, \$500,000 Combined Single Limit Liability, \$250 deductible on PIP, \$500,000 Uninsured Motorist Coverage, \$500 deductibles, towing and \$30 day rental reimbursement – vehicle parked overnight in Hunterdon County.

### Scenario # 1

- Commercial Auto Policy – Annual Premium \$1844
- Tax savings of 40% = \$737.60
- Annual Premium with after tax savings = \$1106.40

### Scenario # 2

- Personal Auto Policy without business endorsement – Annual Premium \$1079
- Tax Savings = \$0
- Annual Premium with no tax savings = \$1079

### Scenario #3

- Personal Auto Policy with business endorsement – Annual Premium \$1079
- Tax Savings of 40%=\$431.60
- Annual Premium with after tax savings = \$647.40
